Dear City Manager Gourley,

I am a soon-to-be 84 year old resident of Burbank Heights and Orchards.

I feel very strongly that it would be extremely dangerous to have bicyclists on this property!!

There are several parking spaces that do not have good visibility, especially if a cyclist was travelling at accelerated speed, which would happen if they were going down hill.

I live in the [REDACTED] which is the second large building when you enter this property. It would be necessary for a cyclist to peddle very hard to go up the hill and around the bend near my parking space. This would be dangerous for the rider and for any motorist

going up the hill or coming down.

Bottom Line: senior motorists and bicyclists ARE NOT
COMPATIBLE and should NOT be on the same
property at the same time EVER!!

Sincerely,
Royelyn Wootten
