Subject: Micah's Hugs: Community-Based Harm Reduction & Public Health Tools

Hello,

My name is Breanna Christenson, owner of BC Therapeutics, who volunteered to work with Micah's Hugs and getting a box for Narcan and Fentanyl Testing strips into downtown Sebastopol. This location is based on where my massage therapy office is currently located.

Based on how the discussion for getting the grant from Caltrans, I felt it was necessary to bring knowledge to how Narcan (naloxone) works with the body and how communities only thrive when they have access and opportunity for care.

Warmly,
Breanna
