To John Jay <jjay@cityofsebastopol.gov>; Victoria Henkel <vhenkel@cityofsebastopol.gov>; City Council <citycouncil@cityofsebastopol.gov>

1. I believe that if Sebastopol has voted the lovely ruling that we should 'Keep Sebastopol Local', that we should honor that.
2. I think that the location of the old Rite Aid store for a new Grocery Outlet would create horrible, massive traffic jams.
3. Tourism to Sebastopol benefits from its quaint downtown charm; the addition of Grocery Outlet would be detrimental to that.

Sincerely,

Felicia Bander
