Subject: In Favor of Move

Council Members

I have lived in Sebastopol since 1971. I love our town even through all the ups & downs of change. Due to its popularity for Sr Activity Center, Library, etc, we have outgrown our present sites. A move appears to be in order.

The suggestion for relocating to the large, lighted, physically sound with huge parking availability to the O'Reilly building north on 116 seems to make it ideal!

Please consider it my vote for the move... and ASAP.

Thank You

Ginny Embry

As a side thought, it would be great for emergency evacuation housing, town hall meetings , etc. as well.
