Subject: A&M BBQ

To whom it may concern,

A&M BBQ had been one of my favorite stops Everytime I pass through Sebastopol. The staff and owners are kind and professional and put out a top notch product! Having lived in Sebastopol for 25+ years I have seen many businesses come and go that I would not miss. Losing A&M would shine a negative small business light on Sebastopol. Please keep this and other small businesses thriving in this great small town!
