Dear Planning Commission,

I am writing to express my opposition to the Rotary Club's Centennial Celebration Project. The project's plan to cover Caulder Creek is in direct opposition to the city's established plans for the restoration of the creek.

We should be looking at dechanneling, daylighting, and restoring the city's creeks wherever we can. Restoring Caulder Creek offers us our best opportunity to do so. A restored Caulder Creek would enhance the experience of all who visit Ives Park.

Please reject the Rotary Club's Centennial Celebration Project.

Thank you, Joe Currie
