Subject: The Apple Blossom Trail

My name is John DeMars I live at Burbank Heights and I strongly oppose the Apple Blossom Trail going through here. I think the idea of adding an unknown volume of bicycle traffic to narrow Gold Ridge Farm Road would be a potential safety hazard. I also question whether the bicyclists would stay on the trail and not wander around the loop. There often residents on foot along the road. Also there are existing city streets north of Bodega Ave that could more safely handle this new bicycle traffic.

Sincerely

John DeMars
