Subject: Strout street.

We are writing to urge the City to prioritize the fix on Strout street. We live around the corner. We know this is being discussed at the meeting tomorrow and wanted to provide some pictures that were taken today that can be distributed along with our letter.

Suffice it to say this road is a hazard to our cars and our health due to risk of falling.

It's also unsafe to use other roads as an alternative given the narrowness of the streets, cars parked on either side and blind spots.

We hope the City will prioritize this hazard and danger to our community.
