Subject: Agenda item 5: Content issues JPA, Bylaws and Staff report

Attached is my comment. There are issues with the JPA and the Bylaw document. They left Sebastopol out of the signature line and didn't include in the Bylaw document. I wouldn't sign until they at least make sure you have a place to sign.

At the end I added the water and wastewater portions of the general plan. Excellent guideline for council in their oversight role.
