Subject: The move

Dear City Council members,

I attended the information afternoon at the O'Reilly building and became so excited at the possibility of it being the Senior Center's new home. The pros far outweighed the cons. I toured the building and was so impressed with the space, the light and general feel of the building.

It seemed to almost be a win win situation for all parties involved. I hope when it comes to a vote on September 15th, you will vote 'yes'! It is a solution for now, not years down the road.

We do want to see it happen in our lifetime!

Thank you for your careful consideration. I know you have to weigh many moving parts. Just take a minute and picture this as a very viable possibility. I have seen it generate so much enthusiasm.

Thank you.
