Hello, city council members. My name is Linnea Lofchie. I am 21 years old and a third-generation Sebastopol resident. I currently live with my parents as it is the only reasonable thing to do given the exorbitant price of renting or god willing owning a home. It is for that reason that I am reaching out to object the overthrowing of AB 1033, which allows ADUs to be sold as individual dwellings. Please take my message into consideration.
