**Subject:** A and M BBQ

We heard that the city might close down the Aand M BBQ , we all love this place and the owners and workers, We strongly support small business and have never seen any problems with the smoke or the traffic there, Traffic is terrible at certain times of day from andys produce to occidental rd and by safeway during afternoons, the farmers market also . So why are you picking on this business??? please give them the time they need to relocate .
