Subject: A&M BBQ

I heard there's a possibility of this eatery closing down because of complaints from neighbors about the smoke! I hope this isn't true!

I eat at this restaurant a couple times a month! It's one of my favorite restaurants and has great BBQ as well as wonderful staff and an amazing atmosphere. It's a fun place to eat! It's the best BBQ since Texas! We are very lucky to have this restaurant in our town!

Please give them time to find another location or a solution to the smoke!

Thanks
