Subject: Support bbq

Dear Sebastopol City Council,

I'm writing to express my support for A&M BBQ and to ask that you work with them toward a reasonable solution that allows them to continue operating in Sebastopol.

A&M BBQ has become an important part of our community. They've created a place that brings people together and have contributed positively to the local economy and culture. I hope a path forward can be found that addresses community concerns while also supporting this valued local business.

Thank you for your time and consideration.
