Subject: A & M BBQ

I've been a fan of A & M BBQ since they opened, the food is exceptional, the people are great, the location is far from perfect, the lack of parking being the biggest problem. The last time I was in they told me that they are looking for another better location and when they move, I'll be following them there.

This is the type of small business that I would think the city would be trying to support. Hard working, loyal customer base, good revenue generator. I encourage you to do everything you can to help them find a suitable location, this is a business that I do not want to see leave.

Thank you,

Mark Wells
