Subject: Please help A & M BBQ secure an alternative location in Sebastopol!!!

Dear Sebastopol Mayor & City Council members,

I understand the difficulty of decisions that the council has to make. However I feel that it will be a huge loss to force A&M BBQ leave Sebastopol because of their success, and the need to use larger smokers to produce enough BBQ meat, etc. to feed the customers who enjoy their products.

Some council members said that they would actively help find a solution that keeps A&M BBQ in Sebastopol. I would like you ALL to work diligently to help them relocate. This is the type of small business that many of us treasure.

Thank you,

May Koski
