Subject: proposed Grocery Outlet project

Dear Sirs/Mesdames,

I would like to add my voice to the strong opposition to the use of the old Rite Aid spot as a new location for a Grocery Outlet. It's simply unfair to the many close by grocers who are struggling enough in this economy.

May I suggest that the site be repurposed as a new Library location, as the old one is beset by mold issues? Please think it over. Or a Performing Arts Center? These things are of greater use and purpose for the vital community that Sebastopol is becoming.

Thank you for your consideration..
