Dear City Council Members,

Please do not force A&M Bbq to close! They are a wonderful part of our community, and their food is exceptional and unique to Sebastopol. They are so very nice whenever I go in there -- pleasant, kind, and offer the best customer service. Their location is so convenient -- easy to get to, easy to park without heading into the downtown area, which can be very busy and inconvenient at times.

We cannot allow a few neighbors to keep dictating what we will and will not allow in our town. We need choices. And I love that they are a Black-owned business. Let's not just say we support diversity here -- let's actually do it.

Sincerely,

Michelle Nichols

Long-time Sebastopol resident
