Subject: RE: Item 19 Rescind AB 1033

Dear Mayor McLewis and Members of the Sebastopol City Council,

Sebastopol's decision to allow the separate sale of accessory dwelling units (ADUs) brought the future of affordable housing closer to us. My son is 17 and he wants to see a future where he can live in the town he grew up in. Without AB 1033, I don't see how that will be possible for him or so many others who work here.

I urge you to reject Agenda Item 19's resolution and choose Option 1: Retain the City's AB 1033 provisions.

Thank you!

Molly Jackel
