Subject: A&M BBQ

Dear Council Members,

I wanted to voice my opinion that I support the enforcement of the city's zoning codes.

I appreciate the outpouring of support for the owners of A&M, as well as the efforts that you have made to assist them in finding a solution to this problem. But I would be very concerned if a precedent was set by making an exception to city codes in this (or any) case.

Sincerely,

Nick Giardino
