Subject: Vote on AB 1033

My name is Rick Rozet and I am a resident of the city of Sebastopol . I would like to voice my support for approving AB 1033. I've watched as our town has aged, housing prices have skyrocketed, and many teacher friends are suffering layoffs and pay cuts in part due to declining enrollment in schools . Traffic from people commuting to work from out of town and and an anemic downtown economy are in large part due to a lack of affordable housing in our area. AB 1033 is an important step toward addressing these problems and makes sense economically on many fronts . I urge you to support this and other measures which address this important issue .

Thank you

Rock Rozet
