Hello all,

IMPORTANT: The Johnston Endowment will not be discussed at the August 5, 2026 SCL Commission Meeting.

Attached please find my Agenda Notes and Monthly Report for the August 5, 2026, , meeting of the Library Commission.

For those who ask, I received the Agenda on Friday, July 31, 2026.

I believe that important subjects deserve thoughtful space and thorough exploration.

I realize, as usual, I've provided a lot of information here!

Please don't feel the need to read this all at once; consider it a reference guide.

As always, I suggest that you initially skim the information to identify item (s) of interest and then return to those items selected for a deeper dive.

Also, remember the material is provided for information and not study.

Please share this material with your friends, neighbors and colleagues.

Comments? Questions?

Mail them to me at fengbarth@sonomalibrary.org.

Hope to see or hear or see you at the meetings of July 1, 2026, meeting of the SCL Commission.

Yours sincerely,

Fred Engbarth

SCL Commissioner appointed by the City of Sebastopol
