Dear Mayor and Members of the Sebastopol City Council,

On behalf of the Sebastopol Community Cultural Center and our Board of Directors, I'm pleased to share the attached letter regarding the Commons and the City's continued consideration of the O'Reilly property.

We appreciate the work and thought that has gone into exploring this opportunity and what it could mean for Sebastopol. Bringing community-serving organizations together in one place is an exciting concept, and we believe it is well worth continuing the conversation and taking the time to fully explore what may be possible.

For SCCC, we are grateful to be included in that conversation and look forward to working alongside the City, the Commons Committee, and our fellow community organizations as the possibilities, needs, and practical considerations continue to take shape.

Thank you for your continued support of SCCC and for all you do on behalf of our community.

Warmly,

Philena Chantha
Executive Director
