Subject: Letter in Support of A&M BBQ

To whom it may concern,

I am writing this letter of support of A&M BBQ, in hopes that they are not forced to leave town. I work here in Sebastopol, and have eaten lunch at A&M numerous times. The food is a fabulous addition to the options here, and is probably the best BBQ joint I've visited in the Bay Area.

Additionally, we host workshops bi-monthly, educating automotive enthusiasts, instructors and teachers from schools across the country. We provide daily lunches for attendees from restaurants all over town.

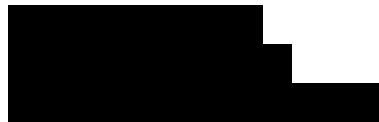

We finish every workshop with a large catered lunch from A&M on the last day. To say that this is the most popular lunch of the week would be an understatement, particularly for those attending from the south and southeast!

Losing A&M to another location in Sonoma County would be incredibly detrimental to the town. I hope that council will reconsider, and allow A&M to remain and continue to serve this town their delicious BBQ!

Thank you
