Dear Sebastopol City Council and Staff:

On behalf of the Community, I have attached a letter regarding the impact of A&M BBQ operations and requests as you consider next actions on July 7th's Agenda Item 11.

This letter has been signed by ~40 neighbors so far, almost entirely Sebastopol residents who live and/or work within blocks of the A&M BBQ smoking operation.

Your attention to this continued situation is greatly appreciated.

Best regards,
Neighbors of A&M BBQ
