Dear City Council,

I am writing in support of A&M BBQ. They are a great addition to the prepared food choices in Sebastopol. The owner has worked VERY hard to work within conditions that the city has laid out and continues to do so. We need to support this business and the man and his family in this endeavor. It feels very racist that a room and town full of white people can't do everything they can to support this black owned business.

Please add my letter to the public comments of the agenda for the 10/6/26 meeting.

Sincerely,  
Anne Galbraith
