City Council Members:

I strongly support A & M Barbecue staying in their current location in Sebastopol. It has been a star for the city with people coming from all over the county (and beyond). There is nothing comparable in the city and it definitely fills that loss.

When people live downtown, the inconveniences that some businesses make are simply part of the experience. There are noisy cars and delivery trucks, groups of (noisy) people walking by your front door, dogs barking etc. I would hope that people would meet the owner and support his business! It is an excellent restaurant, providing a unique dining experience.

I urge your support!
