Dear city council,

It has come to my attention that there are people complaining about A & M BBQ and want them out. I live a few doors down from the restaurant and feel it is a wonderful addition to the town. The food is wonderful and the owners and workers always very kind. I have not been bothered at all by smoke or extra traffic. I really hope that they can stay because it is so important to keep small businesses from going away, especially ones that make so many people happy and well fed.

Thank you,
