Dear City Council, as a patron of A&M BBQ, I am writing to express my support for the business' request that you grant them the time they need to seek a new place to house their tremendous restaurant. While I am sorry their neighbors have turned against them, I would hope that in a spirit of compromise you would not take any action in haste that would harm the restaurant, its owners and staff. Thank you for your consideration of this request. Best regards, Tyler A. Brown
