Subject: Apple Blossom Trail

I am a resident of Burbank Heights and Orchards. I am 82 years old, and my husband is 84. We strongly oppose the proposed route of the Apple Blossom Trail through our complex. It is very dangerous to have bikers traveling at high speeds in areas where there are many pedestrians with impaired vision, hearing and mobility. Many of our residents walk their dogs in the proposed areas as well. There are also many cars and delivery vehicles going through Burbank Heights and Orchards as well as the Sebastopol Shuttle 24 bus. There are nearby viable alternative routes for this trail.

Thank you,

Judy Morgan
