Subject: the proposed Apple Blossom Trail to run through Burbank Heights and Orchards

Dear Ms Gourley:

My name is Harvey Meyers. I am 86 years old and am in my 6th year of living at the Burbank Heights and Orchards Residential facility at 7777 Bodega Avenue in Sebastopol. I love living here for many, many reasons.

I walk around the property two and three times a day and I bicycle daily, weather permitting. I am quite concerned that should the proposed Apple Blossom Trail come through our property that it will impede my ability to walk, bicycle, etc. on the property. I feel that I owe the good state of my health, despite my advanced years, to the physical activity I maintain daily. It would greatly affect my health, I fear, if I were not able to get as much exercise in the future due to any sort of

congestion or impediment on our residential property.

I am yours in good faith and concern for our common well-being,

Harvey Meyers
