## **June 2, 2026 City Council Meeting Agenda Highlights**

The City Council will consider several routine consent items, including approval of the May 19 meeting minutes, Community Sculpture Garden awards recommended by the Public Arts Committee, a Dispatcher 2 job description tied to the SPOA MOU, and continuation of the County-funded HEART personnel contract.

The meeting also includes informational updates on Enterprise Fund financial and operational reports, CalPERS pension obligations, and the City's 115 Pension Trust.

Major public hearing items include the Proposed FY 2026–27 City Budget and the Capital Improvement Budget, which totals approximately \$10.1 million, including both funded projects and grant-dependent projects. The Council will also consider the annual Street Lighting Assessment District levy and a Cal OES grant-funded replacement of the City's 9-1-1 call processing equipment, with most costs covered by the state and no anticipated ongoing General Fund impact.

Meeting starts at 6pm at the Youth Annex and virtually. For the full meeting agenda and additional meeting documents visit the June 2, 2026 City Council Meeting Page: <https://bit.ly/CC060226>
