Subject: O'Reilly move

We have been frequent users of the Senior Center and library for years, and have always had a problem with parking, sometimes simply driving back home (a couple miles away in west Sebastopol) in frustration. Moving these organizations to one location with AMPLE parking would increase our use of both. Besides, the library, with its mold problem, is potentially dangerous to us older folks' immune systems. Moving to an unused newer building is ideal. We support the move to the O'Reilly location as a brilliant solution. Norman (Doc) Mintz and Kerry Vyner-Brooks
