

Schedule of User and Regulatory Fees
Fiscal Year 2026/27

RESOLUTION NO. 6781-2026

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SEBASTOPOL APPROVING THE
UPDATED SCHEDULE OF USER AND REGULATORY FEES FOR FISCAL YEAR 2026–27

WHEREAS, the City Council establishes user and regulatory fees to offset all, or portions of, the costs of providing various services that are of a specific benefit to applicants or service recipients that are both separate and apart from the communitywide benefit to the public; and

WHEREAS, on September 15, 2020, the City Council adopted Resolution No.6313-2020, Updating and Establishing User and Regulatory Fees; and

WHEREAS, the resolution authorized annual update to fees based on the annual percentage change in the all-urban Consumer Price Index for Consumer Price Index All Urban Consumers, San Francisco-Oakland-Hayward, CA (CPI). If the CPI does not change or goes down in a given year, no change shall be made to the fee schedule that year; and

WHEREAS, this update to the fee schedule is intended to reflect the annual inflationary adjustments authorized by the City Council; and

WHEREAS, the City intends to periodically update fees based on findings of the User and Regulatory Fee Study prepared in 2020, and feedback received subsequent to completion of the study; and

WHEREAS, the City Council hereby finds that the User and Regulatory Fee Study prepared in 2020 and supporting documentation provides adequate evidence to conclude that the revised fees do not exceed the cost to provide the services for which the fees are charged; and

WHEREAS, a duly noticed public hearing was held on June 16, 2026 to consider the proposed fee increase in compliance with the requirements of California Government Code § 66016 and 66018; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Sebastopol that:

1. Each recital set forth above is hereby adopted as a specific finding of this City Council.
2. The City Council hereby adopts the fees as set forth in attached Exhibit "A" and is incorporated by this reference.
3. Any and all provisions of prior resolutions of the City Council establishing or modifying fees for the services, programs or products set forth in Exhibit "A," are hereby repealed and replaced as of the effective date of this Resolution in the manner set forth in Exhibit "A;" provided, however, that such repeal shall not excuse or affect the failure of any person or entity to pay any fee heretofore imposed upon such person or entity. The City Council desires to clarify that in adopting this Resolution, it is taking action only on those fees for the services, programs or products set forth in Exhibit "A" which have been modified from prior resolutions

of the City Council. The remaining fees that have not been modified from prior resolutions shall remain in full force and effect.

4. Non-Profit Organizations are eligible to apply for a fee reduction/waiver for flat fees only as listed in this user fee schedule and as listed below:
 - a. Fee Reduction (25% Department Head Approval): Not for profit organizations and non-profit entities that have a documented federal tax-exempt status are eligible to apply for a twenty-five percent (25%) reduction of fees. Such a fee reduction shall be submitted to the Department Head of fee holder for final determination. Such fee shall not exceed \$500.00 in total reduction/waiver of fees.
 - b. Fee Reduction (50% City Manager Approval): Not for profit organizations and non-profit entities that have a documented federal tax-exempt status are eligible to apply for a fifty percent (50%) reduction of fees. Such a fee reduction shall be submitted to the Department Head of fee holder for final determination. Such fee shall not exceed \$1,000.00 in total reduction/waiver of fees; and
 - c. Fees requested above \$1,000.00 for waiver shall require Council approval.
5. In order to comply with statutory requirements outlined in Section 66017 of the California Government Code, development related fees that are new or increased by an amount that is greater than the annual percentage change in CPI shall be effective August 17, 2026 (i.e., no sooner than 60 days following adoption of the adjusted fees). All other fees listed in the City's fee schedule will be effective July 1, 2026.

IN COUNCIL DULY PASSED this 16 day of June 2026.

I, the undersigned, hereby certify that the foregoing Resolution was duly adopted by City of Sebastopol City Council following a roll call vote:

When a fee is Full Cost Recovery with Minimum Amount Due, the minimum total amount charged shall be the amount shown in the Minimum Fee Column. When more than one full cost application is submitted, the sum total of the initial full cost deposit amount may be reduced by up to 20% at the discretion of the Planning Director.

Funds expended for staff time shall not be dependent upon the City's approval or disapproval of the application request. Any deposit amounts remaining after final project close out will be returned to applicant (less bond amounts held by the City).
