PUBLIC NOTICE

October 8, 2026

Next week Public Works staff along with volunteers will be resealing the surface at the skatepark. The skatepark will be closed Tuesday Oct 13th in the morning to clean and prep the surface. Then the park will be closed all day on Wednesday Oct 14th for the first sealant application and on Thursday October 15th for the second application. Please respect the closure and stay off the surface to allow the sealant time to properly dry. The skatepark will be reopened in the morning on Friday Oct 16th. We appreciate your patience while we perform this much needed maintenance.

Thank you,

Oriana Hart
