PUBLIC NOTICE

November 9, 2026

Please continue to slow down and use caution when traveling on Bodega Avenue near the City limit. Work continues for the Huntley Square development at 7950 Bodega Avenue. PG&E will also be working on Tuesday and Wednesday at the corner of Valley View and Bodega Avenue to film the whereabouts of underground utilities. The electric and gas lines will need to be moved in order for a project the City has planned to install guardrails on the north side of the road up to the bridge crossing Atascadero Creek. This is a safety measure to keep vehicles from veering off the road and down the embankment.

Thank you,

Oriana Hart
